Dr. Joshua Lederberg
Department of Medical Genetics
The University of Wisconsin
Madison 6, Wisconsin

Dear Joshua:

Many thanks for your letter of May 10 which I appreciate very much. I have made a note of a possible visit from you on Wednesday, December 18, but it is a miserable day and I believe almost the last day of term. Nevertheless we should be happy to see you.

Yours sincerely,

Kenneth V. Thimann *ca*
